We intend to host a panel of 6 guest speakers to address some of the innovations of supporting the needs in Skagit County, surrounding food and housing crisis, as well as the stumbling blocks we find on our paths to help.

The audience (max 100 ppl) will include many connected service providers and potentially some allies in politics all hoping to see our intention of working together to do more. Audience questions and feedback will open for 15 minutes after the 30-minute panel topics conclude. There will be an option to stay to continue socially talking with the audience and each other over refreshments, after. (So, plan for at least an hour in total)

The schedule is planned for early April, a date to be determined based on availability of yourself and other guest speakers we confirm. To be held at the Vinery at Christianson's Nursery, Best Rd Mount Vernon.

Expecting a Tuesday midday or Thursday, later afternoon, where you will still be finished after mingling, by 5pm. Subject of discussion will serve topics around:

- Growing Needs, what's falling through cracks
- access to alternative support, are we partnering our resources
- goals for the future, how we can support each other

We plan for this event to be a live, privately hosted mixer with members of our staff and board to recognize the continued efforts and dedication of our service volunteers.

Volunteers make our services possible every day, including the love and laundry program as well as our sack lunch program. We have monthly meal members who prepare and serve dinner to the public, each month and additional donors of time and skills to manage several ongoing capital projects across our facilities.

We will welcome the public to come celebrate and congratulate our most honorable volunteers at this event but we expect it will be on the smaller scale of events to keep it personable and social for the true guests of honor.

We serve Brunch and Dinner on Thanksgiving and Christmas.

Brunch is from 10am-12pm and dinner is from 3pm-5pm.

This year we are offering sponsorship opportunities for the holiday meal services to provide more ways for our community to get involved with these special occasions, again.

Holidays can be tough for our guests while not only is the weather tough this time of year, but memories of what used to be... or remembrance of loss settles in and makes it harder to get through the season that others seem to delight in...
